

## CITY OF HARRISBURG DBHD COMMUNITY MEETINGS

Mayor Linda D. Thompson invites citizens to participate in the development of Harrisburg's FY-2010 federal plan for funding housing and community development entitlement programs, which include:

- Community Development Block Grant (CDBG) Program - \$2,082,165 (estimated)
  - HOME Investment Partnerships (HOME) Program - \$628,317 (estimated)
  - Emergency Shelter Grants (ESG) Program - \$91,700 (estimated)

The goal of these programs is to develop viable urban communities by providing decent housing, suitable living environment and expanding economic opportunities principally for low and moderate income persons. The program year will start on October 1<sup>st</sup>, 2010. CDBG funding accomplishes the following goals to benefit Harrisburg's citizens: increase City resident population, promote livable neighborhoods and increase the general tax-base. These meetings will provide a review of program progress, an overview of the City's current housing and community development strategies, and an opportunity for citizens to present their views on the City's housing and community development needs.
